"Didn't you see my signal?!!!"

by Tim Cope & Diniar Minwalla

A Bridge Workshop suitable for Intermediate and Advanced Players

On average, we are Declarer one hand in four, dummy one hand in four, but a defender half the time. Declarer always gets to see his partner's hand and, if his luck is in, dummy may well resemble the hand his partner held during the auction! 😊 If we can improve our defensive game, this will have the greatest impact on our results wherever and whenever we play. Hot on the heels of their articles which appear each quarter in our Newsletter, the WCBU is delighted to announce a workshop hosted by our very own top-ranking experts and International players, Tim and Diniar. They will guide us through the topic of leads, signals and discards by getting us to play some carefully engineered hands to test and hone our skills in this critical area. Come and join us. Everybody is welcome. Plenty of secure parking.
