

SAWBA

Dear SABF Members, we have just finished the second online SAWBA tournament and we had a very nice entry. The whole tournament ran so smoothly because Rob and Lotte made it so easy for all of us. Thank you also to Bernard Donde who was kept pretty busy with appeals.

SAWBA had a number of 1st time players this year and we would like to encourage as many ladies as possible to join us and have fun.

Below are all the results.

Regards
