Note: You need to have played a minimum of 10 times in the WCBU BBO Pairs events to have a valid PI.
 You need to have a proper name and surname on BBO. Anonymous names will not be listed.
 If you have not played in the 6 weeks prior to the publication date, your PI will be deemed to be out of date and you will be delisted.
 Each day your new PI is calculated as follows:

- If you have played, your new PI = 20% * score + 80% * old PI.
- If you have not played, your new PI = 99.85% * old PI, i.e. an erosion of 0.15%. This approximates to an erosion of 1% per week.
- If there is an officially sanctioned WCBU or SABF bridge event running simultaneously, then erosion will not apply.

The "Wow Move" columns show week-on-week move in your Rank and Index respectively.
 The "Over 50%" column is the percentage of your scores over 50%.
 In graded events with an A and B section, section A scores may have 2.5% (% points) added and section B scores may have 2.5% subtracted.
